

The Perfect Fit To Any Break Room Or Corporate Kitchen

Compact, efficient and convenient, this revolutionary oven is changing the hot meal experience.

This is one smart oven.

The Hot Logic EcoOven heats your meal slowly and evenly, preserving the moisture, enhancing the flavor and extending the hot hold time. Simply place your meal in the Hot Logic EcoOven and the patented SmartShelf conduction technology goes to work for you.

Safe To Use With Almost Any Container

1 Blinking Red READY TO USE

PLACE IN OVEN

Choose your favorite fresh or prepared meal from the refrigerator or freezer. Place the meal in the Hot Logic EcoOven and walk away.

2 Solid Blue COOKING/HEATING

GO ABOUT YOUR DAY

Enjoy your daily activities knowing the Hot Logic EcoOven is warming your meal with even, safe conduction heat to the perfect temperature until you are ready to eat.

3 Solid Red READY TO ENJOY

TAKE OUT AND ENJOY

When the SmartShelf indicator light changes color, carefully take your perfectly heated meal out of the Hot Logic EcoOven and enjoy.
